No.1/26/2005/UCL(I)

Date: 29/05/2023

**Abstract of the Student satisfaction survey**

Fifty (50) students participated in the survey consisting of multiple-choice questions which were carefully selected for collection of their specific answers. Twenty number of questions were printed in A4 size papers of three pages.

**Important outcomes:**

- (1) Ninety percent of the students thought to improving physical infrastructure of the College particularly number of ICT tools.
- (2) 95% of the students are completely satisfied with the knowledge imparted by the College.
- (3) Most of the students are completely satisfied with their teachers.
- (4) Students are of the opinion that their teachers are quite informative.

Some points recommendations by the students:

- (i) To recruit number additional teachers as required.
- (ii) Expanding hostel's amenities.
- (iii) To increase smart classes.
- (iv) To introduce courses which will be employable.
